Respected Sir

In the most humble manner, I, Aditya Goswami s/o Mr.Priya Das Goswami s/o Lt.Mr.Krishna Das Goswami, plead in front of you to save me from getting homeless as I have only one residence i.e., my Grandfather Mr.Krishna Das Goswami's house: B.34/130-12-K-1, Manas Nagar Vistar, Durgakund, Varanasi – 221005. Mrs.Tulika Roy Choudhury d/o Lt.Mr.Krishna Das Goswami and Mrs.Rama Rani Goswami w/o Lt.Mr.Krishna Das Goswami, are conspiring to destroy roof from over my head due to jealousy, and are in an attempt to attack and kill me once I get homeless, posing a threat to my life, so that I cannot exercise my Inheritance-Right in my father's property. That way, Mrs.Tulika Roy Choudhury will be able to grab my father's wealth and property successfully. She has hypnotized and completely influenced my father. My father is also trying to get rid of me and my mother so that he becomes free from responsibility and can get re-married by forcing my mother to Divorce him and by killing me. He applied for Divorce in Gujarat (his work place) which is under stay by the hon'ble Supreme Court's order. He is now just searching for a ground for divorce.

Mrs.Tulika Roy Choudhury and Mrs.Rama Rani Goswami have done the registry of this house in the name of some unknown people, who are staying in the ground floor. They have completely occupied the house and are giving us threats to vacate the house. This Registry has been done in a False manner as the Land is not in the name of Mrs.Rama Rani Goswami. It is in the name of a third party, who is no longer alive. This way, the house is being occupied in an unfair manner and an authority is being imposed on us.

Here in this deal, a big fraud has happened, wherein the registry is done in the name of some Hriday Narayan Singh, whereas he himself is not coming here to reside in this house. Instead, some unknown Mr.Amit and some lady, are coming and staying in this house, and are also putting Lock in the gate. Mr.Hriday Narayan Singh has not given any written-authority to these people to put lock in the house. This is creating a Big Life Threat for us as these unknown people can kill us, as their target is to empty the house so that they can snatch my inheritance rights. This is a matter of serious concern.

There is a family dispute also, and the cases are active in the Court. These are-

It is a humble prayer to put a stay on the sale of the above mentioned house, so that I and my mother (alone lady) can live peacefully and our residential right is protected. I am studying in an Institute of National Importance and my father is not supporting my higher education. He has denied to pay my college fees. Now if our residence is also snatched, we will come totally on the streets. The papers of the house should be checked properly again.

Please take necessary step to save our residence in my grandfather's house.

I would be highly obliged to you.

Thanking you

Yours sincerely

Aditya Goswami s/o Mr.Priya Das Goswami s/o Lt.Mr.Krishna Das Goswami
